Re: LEED MATERIALS AND RESOURCE CREDIT INFORMATION

To Whom It May Concern:

This letter is to provide LEED (Leadership in Energy and Environmental Design) materials and resources credit information for Stanley Access Technologies' products. The claims below are based on LEED for New Construction version 2.2, Materials and Resources (MR).

Credit 4.1: Recycled content 10% (post-consumer + 1/2 pre-consumer)

Negligible percentage by weight of post-consumer and pre-consumer recycled content.

Credit 4.2: Recycled content 20% (post consumer + 1/2 pre-consumer)

Negligible percentage by weight of post-consumer and pre-consumer recycled content.

Credit 5.1: 10% Extracted, Processed and Manufactured Regionally

To determine whether Stanley Access Technologies products meet the five-hundred mile radius criteria to be considered manufactured regionally, use the manufacturing address: 65 Scott Swamp Road, Farmington, CT 06032.

Credit 5.2: 20% Extracted, Processed and Manufactured Regionally

This credit is not applicable to Stanley Access Technologies' product.

Sincerely,

Thomas M. Cordeiro
